

Bremen, in December 2014

Invitation to the first Jacobs Career Fair and the Networking Reception, February 25th 2015

Dear Alumni-Board, dear Alumni,

on 25th February 2015 Jacobs University Bremen is hosting the first **Jacobs Career Fair**, organized by the Career Services Center (CSC).

This fair will provide a platform for the networking between companies, institutions and our students of all study areas. This event will obtain priority on campus and no classes will take place on that afternoon.

Companies and institutions will have the opportunity to connect with our students and showcase their vacant entry positions, internships, trainee programs and research projects. While making these new contacts they may lay the essential foundation for future applications of our students.

We are still in the process of acquisition but already have received confirmations from i.e. Daimler AG, AB Inbev, EVONIK, DMK, Barry Callebaut, AWI, Max Planck Institute, Hella, United Nations and others.

It is our aim to offer career opportunities for all our students and would therefore appreciate it if you can support our acquisition by continuing to **announce this career event to your contacts and partners**. We firmly believe that our **Jacobs Career Fair** may foster the employability of students as an ideal platform for communicating with companies and giving insight into the "world of professionals".

Furthermore, we are sure that this event can open new opportunities for our faculty and alumni to **enlarge the network of industry and research cooperations**.

We therefore cordially invite you to attend our first Jacobs Career Fair and the subsequent Networking-Reception at the University Club!

Time	Event	Location	Participants
14 – 17 hrs	Jacobs Career Fair	Campus Center	All students, Faculty, Alumni, Special Guests, Exhibitors
17 – 19 hrs	Networking Get-together	University Club	Faculty, Alumni, Special Guests, Exhibitors

Please register for the Networking Reception at the University Club here: <http://jacobscareerfair-networking-event.eventbrite.de>

Within the framework of the **Jacobs Career Fair**, we would like to offer **workshops** on special topics, for example "Salary negotiation", "Building an international career", "Successful interviews", "Traineeship vs. Direct Entry", "Preparing for assessment centers", "Networking" or others. **We cordially invite you as a Jacobs Alumni to offer a workshop (30 to 60 minutes) for our students**. If you have expertise on a topic that might be interesting for our students, we would be glad if you can contact us (please send an email to p.zarrath@jacobs-university.de)

All information (and the registration form for exhibitors) are available on our website www.jacobscareerfair.de

Registration for exhibitors is still possible!

We are looking forward to welcoming you at our first **Jacobs Career Fair!**

Sincerely,

Your Career Services Center Team,

Predrag Tapavicki & Petra Zarrath
