HOMECOMING 2016

Another year, another fabulous reunion. More than 80 alumni came home and we've had it all - Jacobs games, drinks at The Other Side, a productive General Assembly, a newly elected board and alumni officer and an impressive 5316€ raised for our generation fund at a glorious dinner at Strandlust, that no other than former president Treusch attended. Brewed up by some of our very own Jacobians, ColdBrew provided the drinks. Find all pictures [here](#).

BE A STARTUP MENTOR

After the great success of the last years our students are organising yet another Jacobs Startup Competition (JSC) in 2017. If you are a business and startup wizard please support them by becoming a mentor. Read more [here](#) and email Käthe at k.neuss@jacobs-university.de by Nov 30.
